	LTG Vernon A. Walters
	Dear General Walters:
STAT	First let me say how much we always enjoyed your annual visits and talks with us at We will miss them! And again, congratulations on your new assignment - and promotion.
STAT	
	He suggested I write directly to you. I am retiring from the Regular Army 1 August 1972 and would be interested very much in a job with the Agency. A very brief resume is attached. Although my national level experience has been with NSA, my other background is rather extensive.
	I will be in the Washington, D.C. area 10-13 April and would be happy to have an opportunity for an interview.
	My best to you and your sister and hope you both enjoyed our "Fasching Party" at the PHV Officer's Club.
	Yours truly,
